Dear Parents,

Greetings of Peace!

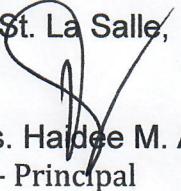

We are pleased to inform you that we will have the week-long celebration of our school's foundation on February 11-16, 2019. Our school has prepared a number of meaningful activities in line with this celebration. You are welcome to visit the school ground on February 14 until February 16 and be with your children that you have entrusted to our care.

To ensure that our stakeholders who cannot be physically present during the week-long celebration will be able to see the highlights of the different activities, we will have the live streaming and photo/video coverage of all the foundation activities. Thus, we would like to inform you that you, your children and other members of your family who will be accompanying your children may be included in the live streaming, photo/video coverage, and other forms of documentation which will be officially published and released by De La Salle Lipa.

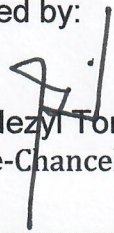

Should you have any queries or concerns regarding the aforementioned live streaming and photo/video coverage, please feel free to contact the Office of the Assistant Principal concerned.

Thank you so much for your unwavering support!

In St. La Salle,

Ms. Haldee M. Angeles
